

Hiking in Central Montana

Memorial Falls

1 mile

Easy

Overview:

A brief and relaxing trail through a small, boulder strewn canyon to a waterfall. Both the waterfall and the stream at the parking lot are popular places for children to cool off in the summer.

Directions:

Take Montana 200 East out of Great Falls for 23.4 miles. Turn right onto US-89 South for 36.5 miles to the marked trailhead on the left.
